The Full Flower Moon

You are cordially invited to join us for a vibrant and rhythmic celebration under the Full Flower Moon! As the moon blooms in its full glory on May 23rd, we gather to honor its beauty and energy with a drum circle like no other.

We will provide drums, tambourines, rattles, and other percussion instruments to inspire you. We'll create an enchanting tapestry of beats as we connect with nature and each other.

The Full Flower Moon represents growth, abundance, and the beauty of renewal. Let's come together in harmony, celebrate the magic of this lunar phase, and welcome the season of blossoms with joy and rhythm.
