Drumming Events – May 2025

Thursday May 8th 6:30 pm

Drum Circle

The Zen Den, Sellersville, PA

Our Drum Circle in May right around Mother's Day is a beautiful way to celebrate renewal, gratitude, and love. As nature awakens with vibrant colors and fresh energy, the rhythmic beats of the drum symbolize the heartbeat of a mother—steady, strong, and nurturing.

Drumming out our personal rhythms in honor of our Mothers fosters our connection to joy and a sense of harmony. We will let the drum speak where words fall short, echoing appreciation and the timeless bond between mother and child.

Join us for this beautiful drumming circle!!
